

Outline: Talking Walls

Thinking Skills: remembering, explaining, justifying

Language Focus: speaking, listening

Time: 5-10 min

Level: Any

1. Students are paired up by dividing into 1-2 groups. The groups line – up facing each other.
2. Teacher gives them a topic to talk about or to debate, after 2-3 min they report back what they came up with.
3. One of the lines moves one step right/left, and the extreme right student moves to the extreme left. This way all students change partners.
4. Visualisation of the activity procedure.
